

WE MAKE YOUR IDEAS RUN

The fast track from process innovation to automation

Faster
More adaptable
Lower cost
Guaranteed.

NextAxiom[®]

Bruce Power[™]

Bringing **INNOVATIVE** ideas to life with NextAxiom[®]

“We have done things we never thought possible” - Bruce Power

Idea: Improve trading and revenue accuracy — eliminate manual entry and multiple databases

Action: Automated all **ETRM** data sources aligning energy strategy, ISO settlement and revenue forecasting

Idea: Shorten time at risk and empower the enterprise for continuous improvement

Action: Automated **“ideal”** action tracking processes for improved plant safety and reliability

Idea: Streamline work management system with intuitive processes to drive user adoption

Action: End-to-end automation of work management. **80% reduction** in training, improved transaction time

Idea: Dynamic critical path management process for scheduling work crews and equipment

Action: Automated across scheduling and EAM systems reducing maintenance cycle time and equipment costs

Unprecedented Results
